

PRESS RELEASE

## European Seal of Excellence

**Purmerend, Netherlands – Streamline Studios has been awarded the Platinum Seal of Excellence in Multimedia 2005. This seal is presented annually by the European Multimedia Association Convention (EMMAC), the largest ICT and digital media gathering in Europe to companies with an excellent track record in Marketing. "Alexander L. Fernandez, CEO of Streamline Studios states that "We're thrilled to receive this award for the recognition for our work in the international arena. Europe is a tremendous source of talent and only needs to be stimulated with the entrepreneurial spirit in order to create vibrant job growth."**

Streamline Studios has launched a global recruitment drive in order to find the best developers in the industry. "We are seeking talent of all skill levels and disciplines including, level design, programming, mesh/texture, and animation" offers Stefan Baier, Chief Production Officer "Our clients rely on the best and we look to meet our client's needs the best way we know how." For all inquiries please email [jobs@streamline-studios.com](mailto:jobs@streamline-studios.com) or visit [www.streamline-studios.com/jobs](http://www.streamline-studios.com/jobs).
